Getting there via public transport

The most frequent connection with all Pest as well as with Buda's traffic hub Moszkva tér is provided by the Trams 4 and 6. Get off at 'Margit híd', three stops from Moszkva tér. You can also reach this stop via Szentendrei HÉV, Tram 17, and Bus 86.

From the tram stop, walk about 80 meters towards the next intersection (away from the river), turn right into Török utca and follow it for about 200 meters. The Business School will be to your left.

Ask at reception for Budapest Toastmasters and they will direct you to the right room.
